

Top Ten Reasons Why I Created Ambassador Brand & Good Food Organics

1. Food is Fundamental
2. We are what we eat
3. America's food supply is jeopardized by greed
4. Food is to nutrition, as nutrition is to health
5. Good health requires good food
6. I am a private citizen with a background in public service
7. Providing good food reflects my citizenship
8. Good Food Organics reflects my commitment to environmental sustainability, social justice and business profitability
9. Doing good and doing well are not mutually exclusive
10. My great grandmother was a farmer, a businesswoman and a midwife; she was a role model for me.
